Welcome to CMED

CMED combines regulatory knowledge with hands-on delivery, translating standards and governance obligations into practical systems teams can use every day.

Your requirements will not only be met
BUT MADE VISIBLE, MEASURABLE AND SUSTAINABLE

CMED / QUALITY / COMPLIANCE

WE

assess . design . implement . sustain

BUILT FOR THE UAE

OUR

main driver is confidence

We build systems that last beyond a single audit cycle. Our work connects regulatory clarity, disciplined implementation and measurable performance.

01 **INNOVATION** — Smarter methods

02 **ACCOUNTABILITY** — Clear ownership

03 **INTEGRITY** — Transparent decisions

04 **COMPLIANCE** — Meeting standards

05 **SUSTAINABILITY** — Built to endure

06 **EXCELLENCE** — Consistent results

PRACTICAL / MEASURABLE / SUSTAINABLE

RULES

we live by

01 **EVIDENCE FIRST**
Every recommendation is grounded in findings and applicable requirements.

02 **PRACTICAL ALWAYS**
Controls must work inside real operations, not only inside reports.

03 **WIN TOGETHER**
We transfer knowledge so your team can sustain the system.

MEET THE

sectors we serve

ONE METHOD. MANY REGULATED ENVIRONMENTS.

01 HEALTHCARE
02 ENGINEERING
03 TELECOM
04 GOVERNMENT
05 CORPORATE
06 TECHNOLOGY

SECTORS / EXPERTISE / ASSURANCE

SERVICES

We deliver PRACTICAL EXPERTISE. MEASURABLE OUTCOMES.

01 **QUALITY & ISO**
Management systems built for certification and beyond.

02 **GOVERNANCE & RISK**
Clear accountability, controls and risk visibility.

03 **TECHNICAL ASSURANCE**
Independent review of complex technical operations.

04 **DIGITAL COMPLIANCE**
Digital services aligned to policy and standards.

05 **AI GOVERNANCE**
Responsible AI controls from strategy to oversight.

06 **HSE & SAFETY**
Safer workplaces supported by practical systems.
